Century College graduates wear black caps with orange tassels and black gowns.
Graduates wearing gold sashes are members of Phi Theta Kappa Honor Society.

Students who graduate with honors (3.5 GPA) wear gold braid, and those with high
distinction (3.75 GPA) are awarded medals.

Students wearing red, white and blue cords signify active military or veteran
service from the United States Armed Forces.

As the class of 2022 receives their degrees this evening, the faculty, staff and administration
of Century College offer our congratulations. We wish each graduate continued success,
both academically and professionally, through a lifetime of accomplishments.

MISSION STATEMENT

Century College inspires, prepares, and empowers students to succeed in a changing world.

We inspire students to learn and to develop as whole people; intellectually, physically.

We inspire students to continue learning throughout life.

We prepare and empower students to be successful by helping them develop the knowledge, skills and abilities needed to enter or progress within the work force, to transfer to a four-year institution and to adapt and thrive in our increasingly diverse and ever-changing world.

The commencement program reflects information determined to be accurate at the time of printing but is not the official list of degree candidates certified for graduation.
