## Selective Service Registration

---

Males who are age 18 through 25 are required to register with the Selective Service System. This includes U.S. citizens as well as most non-citizens. Anyone required to register with Selective Service at any time must have done so in order to receive financial aid. The easiest and quickest way to register is online at the following Web site:

**[www.sss.gov](http://www.sss.gov)**

A registration acknowledgement card will be sent to you within two weeks after you register on-line. Keep this document in a safe place as proof of registration. If you believe you have already registered with Selective Service, you can request proof of your registration at **[www.sss.gov](http://www.sss.gov)** by clicking on **"Check Registration"**. This service will allow you to print out your Selective Service number as well as the date you registered.

---

All other students must go to **[www.sss.gov](http://www.sss.gov)** and click on **"Request a Status Information Letter"**. If you are over age 25 and never registered, you **MUST** get a **Status Information Letter** from the Selective Service before your aid eligibility can be determined.

A copy of this Status Information Letter must be provided to the Financial Aid Office along with a **detailed, signed letter** from you explaining why you did not register for Selective Service, where you were during the ages of 18 through 25, and why you feel the Selective Service Registration requirement should be waived for you. The two letters will act as an appeal for the requirement and will be carefully reviewed by the Financial Aid office to determine your eligibility.

Contact Information for the **Selective Service System:**    **[www.sss.gov](http://www.sss.gov)**    **1.888.655.1825**
